

# Awareness Ribbon Poms!

**Eye catching, full color process print area - both above and below on the handle!**

Why go virtually unnoticed when you can go **BOLD**? Before now you'd have to limit yourself to a pom handle that was no thicker than your average pencil - not a lot of room for a message there, and certainly no way to get noticed. But now with our new Rally Poms you can really take advantage of our generous, eye catching **FULL COLOR, FULL BLEED PRINT AREA** that really gets your message out there!

We also offer custom poms specifically shaped to show off your logo or mascot!

**Available as both Pom Pom E Economy Mascot Rally Pom**

(4mm thick with an open edge - printing on one side) and

**Pom Pom D Deluxe Mascot Rally Pom**

(8mm thick handle with a smooth, wrap around edge - printing covers front and back of handle).
