

WE OFFER CHOICES!!!

Build-A-Rally-Rowser - It's as easy as 1-2-3!

If you don't have your own you can select a background image for your rally item from our ever-growing on-line library!

1 Choose a background or design your own...

2 Add YOUR team mascot or logo

3 Sponsors and any other additions.

...and you are GOOD TO GO!

Background options

Our ready-made backgrounds are great design starters!

* Visit our image library at sportproducts.com/graphics for more backgrounds

Shape options

From tiger heads to cricket bats, tennis rackets and more - we can customize your Rally Rowsers.

Color tips

Depending on your individual preferences you might find your foreground elements (such as your logos and text) work better when they stand out more from the background - or perhaps you need to include other supporting colors absent from the original background.

A good tip to remember is that all of our backgrounds can be altered countless ways! Changing the saturation, hues, brightness and contrast are just a few ways to get it just to your liking!
